NEWS CADDY

JANUARY 2025

PRESIDENT'S LETTER

Dear OGCC Members,

The club has been thoroughly cleaned and is ready for Members to return to dine and drink. I hope that you had a wonderful holiday season, I hope you all got new golf equipment to mitigate all your golfing woes in the 2025 season.

Please mark your calendar for the all-member meeting on February 12. While we are looking forward to the course re-opening, we could really use some snow!! (Please, think SNOW)

Look forward to seeing you and as always, thank you again for your support.

Best Regards,

Carter Randall
Ogden Golf and Country Club President

GROUNDS REPORT

Dear Members,

The grounds maintenance team is currently in the middle of its routine winter maintenance tasks insuring we are ready for the opening (weather permitting) on February 17th for the 2025 golf season. The tasks include preventative and curative maintenance repairs to the equipment fleet, grinding/sharpening reels, painting/staining and repairing all golf course accessories, planning/budgeting/staffing, course improvement projects, bunker maintenance, and tree maintenance.

The course maintenance dates for the 2025 season are as follows:

Weekly or Bi-weekly light topdressing of greens and tees performed throughout the season and commensurate with growth.

During the month of March, we will be doing solid deep tine Fairway aeration a little at a time to not disrupt play.

Monday April 21st to Tuesday at noon April 22nd we will be closed for Greens and Collars aeration.

The month of June we will be using our Air2G2 to inject air into the greens, this will not interrupt play.

The month of July (date to be determined) we will complete a needle tine (1/4" solid tine) aeration of greens and collars.

The month of August we will be using our Air2G2 to inject air into the greens and will not interrupt play.

October 13th and 14th we will be closed to complete Dryjecting of the greens and collars. This is an aeration process that is completed by water injecting sand into the surface of the turf.
